AUDIO VISUAL

Riviera Parque is equipped with a state of the art Audio/Visual/Lighting system. The facility has 10 electric dropdown screens with projectors offering inputs from HDMI, VGA, and Composite Video. With 200 computer controlled lights offering you, the client, the possibility of controlling colour, shapes and movement of each light. They can be used to highlight each table, stages, dance floor, spot light main attractions or simply go the beat of the music.

LED RGB lights that surround the perimeter of the rooms will enhance any decor or mood. Best of all, our 360 degree sound system will create the comfort level every guest has anticipated when attending an event.
